In the meantime, you will be able to reach the foot of the building in 8 kilometers from the center of Poreč, both in the first class and in Istria, Croatia. This means that you will have the opportunity to have a wonderful, private life and be able to use the power and security of your home in a stylish and modern way.

The stone house was completely renovated with care and love for the original Istrian design. This is the only path for project 2023. This is a somewhat pre-made basic size of 6x4, which means you can save a lot of energy in Days, but this is also a good idea to use yourself.

The interior of the house delights with a combination of tradition and modernity. The renovated original wooden beams that adorn the ceiling of the property make the space warm and charming, while providing a sense of comfort.

The house consists of two floors. On the ground floor you will find a spacious living room that will be the heart of the home, a kitchen, a
