Its for sale a small house close to the sea in Tisno. The house has 60 m2, divided into two floors.

The lower floor consists of a kitchen, dining room and living room - "Open space" concept.

On the upper floor is a big space with a large double bed and one smaller bed, a bathroom and as well a access to a small balcony.

The house have a own yard there is a place for parking, as well as a storage area.

The island of Murter is the largest and most populated island of the Šibenik archipelago, separated from the mainland by the narrow Murter channel, over which a 12-meter-long movable bridge was built in the town of Tisno. This beautiful island has four settlements, Murter, Betina, Jezera and Tisno, and has been inhabited for almost two millennium. The unique, colorful village of Tisno is located partly on the mainland
