Poreč, surroundings, ground floor apartment with garden!

This beautiful ground floor apartment of a modern new building offers a comfortable living space of 77 m². It is located in a small, quiet place just 2 km from the coast and 6 km from the town of Poreč, providing an ideal combination of proximity to the sea and the silence of the rural environment.

It consists of a spacious entrance hall, open-plan kitchen, dining room and living room, two comfortable bedrooms, storage room and modern bathroom. The connection with the garden is particularly emphasized - the living room opens onto a covered terrace of 15 m², ideal for relaxation, and a garden of 240 m².

The emphasis is on the quality of construction and equipment: air conditioning in all rooms, ceramic tiles, laminate flooring, dark glass walls on the terraces, PVC joinery with electric shutters and security entrance doors. The apartment will be available turnkey, without furniture, and completion of works and move-in are planned for 2025.
