This apartment truly offers everything you need for a comfortable and elegant lifestyle. The stated purchase price includes VAT, and the buyer does not pay real estate transfer tax.

The building was completed in 2025 and is ideally located — only 900 meters from the sea and 1,200 meters from the city center. The apartment offers 1–2 parking spaces.

The building is A/A+ energy-efficient, with first-class three-layer parquet flooring, large first-class ceramic tiles, Italian sanitary ware (PAFONI & CATALANO), and PVC/ALU joinery. Each apartment has its own SCHIEDEL fireplace connection, hood exhaust, underfloor heating in the living room, bathroom and storage ventilation, and a DAIKIN multi-split heating and cooling system for each room. Additional features include a storage room, pre-installation for a terrace kitchen, electric vehicle charging on the parking space, and pre-installation for rooftop solar panels. The building is equipped with a SCHINDLER elevator, automatic irrigation of green areas, interior doors with hidden hinges and magnetic locks, and a fenced waste disposal area.

Resident safety is ensured by a video surveillance system at the entrance, anti-burglary and fireproof doors, a video intercom, a closed bike room, covered parking or garage, and fully fenced access to the property.

This apartment represents the perfect combination of modern functionality, luxury, and comfort — ideal for anyone seeking a peaceful and elegant lifestyle near the sea and all city amenities.

Dear Buyers, property viewings are possible upon prior signing of a viewing record, which serves as the basis for any further steps related to the purchase process and for the calculation of the agency fee in accordance with applicable law. As an authorised real estate broker, EURO PARTNER d.o.o. charges the buyer a brokerage fee of 3% + VAT of the agreed purchase price upon conclusion of the preliminary agreement or sale contract.
