terrace with a summer kitchen, perfect for enjoying the fresh air, relaxing, and entertaining on warm days. The terrace offers a seamless extension of the living area, creating a harmonious connection between indoor and outdoor spaces.

Each apartment in the building includes a covered parking space and an additional storage room, ensuring safety and practicality for residents. The building is constructed to the highest energy efficiency standards (A/A+), using premium materials and modern technology.

The floors are finished with three-layer Class I parquet, and the tiles are of large format and top quality. The sanitary fixtures are from renowned Italian brands Pafoni and Catalano, while PVC/ALU joinery, interior doors with hidden hinges and magnetic locks, and a Schiedel fireplace connection further attest to the high standard of construction.

The building is equipped with a Schindler elevator connecting all floors, as well as numerous systems that enhance quality of life: automatic irrigation of all green areas, individual kitchen hood exhaust for each apartment, preparation for electric vehicle charging, preparation for solar panels, and ventilation for bathrooms and storage rooms.

For optimal comfort, there is underfloor heating in the living room and a DAIKIN multi-split heating and cooling system in every room.

Special attention has been given to resident safety and privacy – the building features video surveillance, burglar- and fire-resistant doors, a video intercom, secured access, and a closed bike room (Bikeroom).

This apartment represents the perfect combination of modern design, functionality, and comfort, ideal for those seeking an elegant and worry-free home in a peaceful setting close to all amenities.

The price of the apartment includes VAT, and the buyer does not pay real estate transfer tax.

Dear Buyers, property viewings are possible upon prior signing of a viewing record, which serves as the basis for any further steps related to the purchase process and for the calculation of the agency fee in accordance with applicable law. As an authorised real estate broker, EURO PARTNER d.o.o. charges the buyer a brokerage fee of 3% + VAT of the agreed purchase price upon conclusion of the preliminary agreement or sale contract.
