A luxury apartment with a total area of 83.50 m² is for sale, located in an attractive location just 2.5 km from the city center and the sea, making it an ideal choice for comfortable family living or as an investment for tourist rental.

The apartment is situated in a new, modernly designed building with only 5 residential units in total, ensuring peace, privacy, and exclusivity. Completion of construction is planned for June, with building carried out according to high-quality standards and contemporary living requirements.

The layout has been carefully designed to provide maximum functionality and comfort. The apartment consists of an entrance hall, two spacious bedrooms, a separate toilet, a modern bathroom, a storage room and a technical room, as well as an additional storage unit located in the building hallway. The central part of the apartment features an open-plan living room, kitchen, and dining area with access to a beautiful, spacious terrace, ideal for relaxation and enjoyment.

The apartment will be equipped with high-quality materials and modern equipment, including underfloor heating, air conditioning, and premium joinery, ensuring energy efficiency and comfort throughout the year.
