For sale is a modern terraced house with a total living area of 100 m², situated on a plot of land measuring 100 m². The house spans two levels and features a functional layout and contemporary construction style. On the ground floor, there is an entrance hallway, storage room, guest toilet, and a spacious living room connected to the kitchen and dining area, creating a pleasant and open space for everyday living and socializing. Upstairs, there are two bedrooms, each with its own bathroom, as well as a terrace that provides additional space for relaxation. In the landscaped yard, there is a private pool, ideal for enjoying warm summer days and creating your own oasis of peace. The heating system is provided by underfloor heating, and air conditioning units are also installed as an addition. This modern house is an excellent choice for family living, vacationing, or as an investment in tourist rental.
