CONSTRUCTION LAND-TOURIST AREA T2
Lot size approx. 4.600 m2 - 1st row to the sea.
This exceptional building plot is located on the south side of the island Hvar.
South side of the island Hvar is famous for the most beautiful small beaches on the Adriatic - these are hidden gravel bays with crystal clear sea, with thick Mediterranean pine forests.
The whole area offers an open sea view from Peljesac to Vis.
A land ideal for building a tourist facility that would provide peace and enjoy the true Mediterranean to its guests.
