We offer for sale an attractive building plot in Sevid, Marina municipality, second row by the sea...
We are selling several common plots of land that together form a whole of 1,200 m2, suitable for building a villa/house.
The land is in a very attractive location, second row by the sea, with a beautiful view of the sea.
Sevid is a small tourist town in the municipality of Marina, with the archaeological remains of the church of St. Vid, after which the place itself got its name.
There is a very attractive sandy bay in the place, as well as a protected archaeological site - Stari Trogir.
In addition to numerous villas, holiday homes and apartments, there are also shops, bakeries, restaurants and cafes in the city, mostly an ideal small tourist place to spend a perfect vacation, far from the city crowds, traffic and other noisy locations.
