-----------------------------------	----

We offer you for sale a hall that is within the scope of the detailed layout plan of the Poreč Service Zone. The building for economic and service purposes with a total area of

2966 m² is located on a plot of land of 4714 m².

Considering the area of

the building plot of 2966 m², the built-up coefficient is 0.78 (78%), i.e. 2313 m² of the largest permitted floor plan of the building on the plot.

Utilization coefficient: 2.0 (200%), i.e. 5932 m² of the total construction gross area of

the building of all floors. Permitted number of above-ground floors: 3 (P+2), with the possibility of building one or more basement floors. Permitted total height: 13 m. The distance of the building from the planned border of the building plot to the south is 7 meters, and on other borders the distance is 0 meters, so it can be built on the planned border of the building plot.

It is possible to buy the hall as a piece or in parts.

Hall 3 covers an area of

317.66 m² and has a yard of 163.40 m².

This property is a unique opportunity due to its extremely attractive location.
